NSA review completed

MEMORANDUM FOR: D/DCI/IC

SUBJECT: National-Tactical Interface (SIGINT) Interest in the
Military Operations Panel of the NSA Scientific
Advisory Board

1. In keeping abreast of developments in the National-Tactical Intelligence Interface throughout the entire community, it was learned that Admiral Jerald King, USN (Ret.), was in Europe visiting military commanders. The topic of discussion reportedly involved National-Tactical Intelligence Interface--possibly a follow-on to Dr. Hermann's report.

2. Further inquiry revealed that Admiral King is a member of the Military Operations Panel of the NSA Scientific Advisory Board. Other members of the Panel are:

LtGen Glen Kent, USAF (Ret.)
Allen B. Simon
John Clark
Harry Davis
George Deskin
General Harold K. Johnson, USA (Ret.)
Oliver R. Kirby
Robert J. Whalen
Donald C. Latham, Executive Secretary

3. The Panel is scheduled to visit the following military commands in Europe during the week of 7-13 September 1975:

SHAPE
EUCOM
CINCUSNAVEUR
Commander, Sixth Fleet
Commander, Task Force 60
FOSIF*, Rota
USS John F. Kennedy

*Fleet Ocean Surveillance Information Facility

4. The Vice Chief of Naval Operations, Admiral Shearer, reportedly has instructed RAdm March, Director, Naval Security Group, to accompany the Panel to all of the above commands except SHAPE and EUCOM.

5. The Panel has also reportedly visited or intends to visit Army and Air Force commands on the same topic. Donald Latham, Executive Secretary, was not available to obtain verification or amplifying information as he is presently out of the area on temporary duty. I will keep you informed.
